

# HEALTH & SAFETY MEASURES

The wellbeing and health of our guests and our employees are our highest priority. We're taking all necessary precautions by implementing the following:

## Health Checks Before Entering The Hotel Premises

- All hotel guests, visitors, staff members and suppliers/contractors are required to have their body temperature measured
- All staff members to do a Rapid Antigen Self-Test every day.
- All supply delivery workers to show the vaccine pass
- All contract workers to show both the vaccine pass and the on-day Rapid Antigen Test result

## Additional Hygiene Practices

- All staff members are mandated to wear a surgical mask during their work duty.
- All guests and visitors can cleanse their hands with the hand sanitizer available at the hotel main entrance.
- All check-in guests and visitors are required to complete a health declaration form at the check-in desk.
- Visitors to hotel guest rooms must be registered at check-in desk.
- Patrons to our restaurants are required to show the vaccine pass before entering.
- All guests with suspicious symptoms will be asked to go to the nearest hospital for medical check prior to checking in, otherwise hotel stay will be denied.
- All guests and visitors are required to wear a face surgical mask at all the public areas of the hotel including the shuttle bus.
- Main entrance carpet in the hotel lobby is disinfected every hour.
- All lift buttons are cleaned and sterilized every hour.
